*February 2022*

## **Annual Handwriting Contest**

The final judging of the handwriting is complete. However, winning participants have not been notified yet. It was decided that we have a presentation at the Academy for the winners and their families at the beginning of April. One reason for this change is that students have not been able to visit the Academy for a field trip the past two years. This will provide an opportunity for them to learn about the history of the Academy and the purpose for learning cursive writing.

## **Nominations for a slate of officers**

As per our constitution, we are required to contact the membership for nominations for officers of the Clarkson Historical Society. At present, the Board is rotating officer responsibilities. Please notify us by mail, email or phone call of any candidates you wish to nominate or to volunteer for the offices of president, vice president, secretary, or liaison to Clarkson Christ Church.

For your information, the president must compile an agenda and officiate at CHS Board meetings as well as membership meetings. The term is for 3 years.

The vice-president shall assist the president and assume those duties at the absence of the president or as directed by the president. Two year term

The secretary shall keep minutes of the Board meetings. Two year term

All nominations must be postmarked by April 20<sup>th</sup> in order to be considered. You will receive the nominations for offices in the following newsletter.

We are pleased to announce that Peter Spagnola has volunteered to monitor the Academy building for any problems that may arise. Thank you, Peter.

Our treasurer, Jackie Smith, has graciously volunteered to remain in that position.

## **For the record . . .**

In our January newsletter, we informed you of a forth coming questionnaire to help people record how COVID has impacted their lives. The questionnaire is on page 2 of this newsletter. This information will be available to future historians.

This questionnaire will also be printed in the next Clarkson town newsletter.

## **Future Meetings**

We hope that speakers for in person membership meetings will begin on April 6, 2022 at the Academy. The speaker will be announced in the March newsletter.
