Membership meeting

We are sorry that last month's topic for the meeting was incorrectly listed.

Tim McDonnell, the listed speaker, gave a very interesting talk on cobblestone buildings and the cobblestone building process. He also spoke about how the stones were formed by the glaciers. The meeting was well received by those who could attend.

For more information on cobblestone buildings, visit the Cobblestone Museum website at cobblestonemuseum.org. Another interesting source of information is the interactive map that can be found at:

<https://www.cobblestonemuseum.org/CobblestoneStructuresCatalog/County%20Name%20Map%20Links.htm>. With this map one can explore the location of cobblestone structures in New York State – by county and town.

November Membership meeting

The November membership meeting will be held on Wednesday, November 2nd. That will come up quickly, so put it on your calendars.

Leanna Hale, our Clarkson historian, will speak on early Clarkson settlement along the Ridge.

October is Membership Month:

Thank you to all who have already renewed membership to the Clarkson Historical Society. We appreciate your input as well as your financial support.

We are happy that we can again have speakers. Our speaker for December will tell about the notable Santa Claus training school formerly located in Albion. We will again have membership meetings beginning in May.

For any who have not renewed as yet, applications can be found on the Clarkson Historical Society website. Memberships can be sent to the Clarkson Historical Society, P.O. Box 600, Clarkson, NY 14430.

Upcoming events in the area:

- Thursday, October 20 (date changed) 6-8 p.m. a Paint Party with Andrea Newman at Under the Apple Tree; \$45.00 includes all supplies. Register by calling Cheryl at 431-3449 on Friday and Saturday 11-5 and Sunday 11-4. Under the Apple Tree 7407 Ridge Road West
