Summer Cursive Camp

Summer Cursive Camp is being scheduled for August 22 through 25, from 9 a.m. until noon. This camp is open to those children going into fourth and fifth grades and is being advertised in the local newspaper. Applications and health forms are included on the CHS Facebook, CHS website and at the Clarkson Town Hall. We still have openings for this event. Our camp staff, besides teaching cursive writing, will lead the students in singing songs that were sung while the school was open. Participants will learn some history of the area, and, of course, experience recess with games including jump rope and hopscotch.

Membership meeting

Our regular Membership Meeting will begin again on the first Wednesday of October, the fifth. Tim McDonnell will speak on the Underground Railroad.

We are hoping to plan a visit to a local museum in September.
